

VUA FAQ BUILDUP

1. Introduction to VUA

VUA is a pioneering fintech company dedicated to empowering underserved communities through innovative financial solutions. Our mission is to foster financial inclusion and resilience by providing access to tailored financial products and services. At VUA, we believe in leveraging technology to drive positive social impact and create sustainable change.

2. How do I sign up for VUA's financial technology platform?

For now you have to contact the onboarding team. To get started, send a message or call +254724396442, or +254743378884, or send an email to hello@vua.co.ke. The team will require relevant verification details such as ID or Passport, a passport photo, among others that will be communicated. To allow ease of account creation, we kindly ask you to at least have the mentioned documents.

3. What services does VUA offer?

Vua offers a savings and credit service. We are currently working with coastal communities who are in a sustainable fishing business to be able to save and access credit. We encourage our members to save, this acts as a cushion during low season. Account Holders can withdraw their savings or ask for a monthly disbursement, this is then debited from their savings account to their Mpesa Number.

4. Can I save with a different Number and also request balance from it?

Account holders can save from a different number provided that they enter the correct account number in the MPESA paybill Account number option.

When accessing balance, whether it's loan, or savings balance, the user can only do so from the primary registered line. In case this line is lost, kindly report to VUA providing sufficient proof, so we can make changes to your account.

5. How does VUA ensure the security of my financial data?

VUA Doesn't share customer data with any third party. We also maintain strict data privacy rules that ensure our customer's data is well protected. We are also compliant with the Government of Kenya's Data protection laws.

6. Can I link my bank account to VUA's platform?

No. Currently we don't offer this service.

7. What types of transactions can I perform using VUA?

You can check your balance by sending "VUA balance {accountNumber}" sms to 20384 shortcode, you can also check your loan balance by sending "VUA loan {accountNumber}" sms to 20384 shortcode. When saving, you Go to mpesa, then paybill, then pay bill number is 4116i23, and the account number is your VUA account number. For loan payment, the process is the same, the only difference is for the account number it will have a prefix L to indicate that it's a loan.

8. How does VUA's AI chatbot work, and what can it help me with?

VUA Chatbot is an assistant that provides you with answers regarding VUA product and financial information. Note that any financial information provided should not be used to make financial decisions. VUA is not liable for its users' action with the information provided. Therefore we ask that you take this as purely informational material but not financial Advice.

9. Is there a mobile app available for accessing VUA's platform?

No. Currently it's only an SMS platform that can be accessed by sending the word VUA to 20384.

10. What fees are associated with using VUA's services?

We only have transaction charges which vary depending on the transaction amount.

11. How quickly are transactions processed through VUA's platform?

We take up to 24 hours to process withdrawal requests from your account.
